

Other Services

FastManager has a generic pricing module called 'Other Services', in the event that you may have some embellishment methods that don't fall under any of the 4 other embellishment types (templates).

You can view or edit the items on this pricelist at: Edit -> Other Services Pricing

Here is an example of a *Custom Sticker*:

Other Services

New Open Delete Exit

General Additional Charges Auto Schedule Machines

☒ Sync qty with number of items ☐ Excl from Sales Comm

☐ Auto Amortize ☒ Print on customer documents ☐ Auto Hide

Save Save As New Cancel

For a detailed walkthrough of setting up an item in this pricelist, see the article on [Direct To Garment Pricing](#) - the process is exactly the same

You can also group these into multiple groups or subcategories, such as *Signs*, or *Trophies*.

- For more information, see: [Service Groups](#)

Please note that the Other Services pricelist is *not* intended for [Miscellaneous Charges](#), or for [Additional Charges](#).
